

## REMARKS

Claims 1, 4 and 9 currently remain in the application. Claims 5-8 and 10 have been withdrawn as non-elected claims, claims 2 and 3 are canceled and claims 1, 4 and 9 are herein amended.

In response to the document entitled Amendment "B" After Final Action mailed November 11, 2005, the Examiner stated in said Advisory Action that the proposed amendment therein would not be entered because they raised new issues that would require further consideration and/or search. The present RCE is therefore being submitted to have such consideration and/or search to be effected. Thus, the claims section is herein amended in the same way presented in said Amendment "B" After Final Action and applicant is herein presenting the same argument as before against the Examiner's rejection in said Final Action.

For the reasons presented in the REMARKS section of said Amendment "B" After Final Action, applicant is in the belief that the application is now in condition for allowance.

Respectfully submitted,
